Section 1: Welcome from the Organiser

Dear Exhibitor,

On behalf of Nexgen Exhibitions Private Limited, we extend a warm welcome to you as a registered exhibitor at the International Police Expo 2026.

The International Police Expo is India's premier platform dedicated to showcasing innovation in law enforcement, security technology, surveillance systems, forensic science, and public safety solutions. Bringing together government agencies, police forces, defence establishments, and private sector innovators, the expo serves as a vital catalyst for dialogue, procurement, and advancement in the field of security and public safety.

This Exhibitors' Manual has been carefully prepared to guide you through every aspect of your participation — from booth setup and logistics to safety compliance and post-show follow-up. We urge you to read this manual thoroughly, note all deadlines, and submit all required forms on time.

Should you require any clarification at any stage, our team remains available to assist you.

We look forward to welcoming you to Hall 3 & 4, Bharat Mandapam, New Delhi on 24–25 June 2026, and wish you a productive and successful exhibition.

Warm regards,

The Organising Team

Nexgen Exhibitions Private Limited

Section 2: Organiser Details

2.1 About Nexgen Exhibitions Private Limited

Nexgen Exhibitions Private Limited is a leading professional exhibition organising company with over 20 years of experience in delivering high-impact B2B and B2G trade shows, conferences, and expos across India. Operating across 15+ sectors — including Police and Homeland Security, Drone technology, Surveillance, Fire safety, Paper, Sugar, and Lubricants — Nexgen brings together government stakeholders, procurement authorities, and industry leaders on a single platform, creating meaningful connections that drive business and policy forward.

Section 3: Exhibition Venue & Dates

3.1 Venue

Venue	Bharat Mandapam, India Trade Promotion Organisation Pragati Maidan, New Delhi - 110001
Halls	Hall 3 & Hall 4 (Ground Floor)

3.2 How to Reach the Venue

Metro

- Nearest Metro Station: Supreme Court Metro Station (Blue Line) — approx. 5-minute walk to Gate 10 of Bharat Mandapam.

From Airport

- Indira Gandhi International Airport (T2/T3) is approximately 18–22 km from Bharat Mandapam. Estimated travel time: 30–50 minutes by cab/taxi.
- Airport Metro Express connects to New Delhi Railway Station; from there, take the Blue Line to Pragati Maidan.

Local Transport

- Ola and Uber cab services are available throughout Delhi.
- Delhi Metro is the most convenient and reliable option during peak hours.

Section 4: Exhibition Schedule

SETUP DAYS

DATE & TIME	ACTIVITY
Monday, 22 June 2026 11:00 – 23:59 hrs Tuesday, 23 June 2026 10:00 – 23:59 hrs	Decoration Period for BARE SPACE exhibitors only
Tuesday, 23 June 2026 10:00 – 23:59 hrs	Decoration Period for BUILT-UP/SHELL SCHEME exhibitors — exhibitor registration & booth setup
Monday, 22 June 2026 12:00 – 18:00 hrs Tuesday, 23 June 2026 10:00 – 18:00 hrs	Exhibitor Registration and Exhibitor Kit/ Badges collection

IMPORTANT: Booth Construction Deadline: ALL booth construction must be complete by 22:00 hrs on 23 June 2026

DISPLAY/EXHIBITION DAYS

DATE & TIME	ACTIVITY
Wednesday, 24 June 2026 10:00 – 18:00 hrs	Open for Visitors (Day 1)
Thursday, 25 June 2026 10:00 – 18:00 hrs	Open for Visitors (Day 2)

DISMANTLING PERIOD

DATE & TIME	ACTIVITY
Thursday, 25 June 2026 18:00 – 23:55 hrs	Dismantling of booths and removal of all exhibits and debris

All exhibits & debris must be cleared by 23:55 hrs on 25 June 2026

PENALTY FOR LATE COMPLETION OF BOOTH DISMANTLING:
Any delay beyond 23:55 hrs on 25 June 2026 will attract a penalty by ITPO. Exhibitor is responsible to any such penalty needs to be cleared before leaving the venue.

Section 5: Gate & Traffic Movement Plan

The following gate allocations apply at Bharat Mandapam for all activity related to the International Police Expo 2026. All visitors, exhibitors, contractors, and vehicles must use the designated gates.

GATE / ENTRY POINT	PURPOSE
Gate 4	Chauffeur-driven vehicles may drop off passengers at the gate entrance, after which exhibitors may proceed to the hall.
Gate 10 (Metro Entry)	Entry for visitors arriving via metro. Shuttle service is available to the exhibition hall.
Basement Parking 1 (Bhairon Marg)	Self-driven vehicles must be parked in Basement 1. Visitors can access the exhibition hall via Plaza 1 lift/escalator (approx. 100m walk).
Gate 1 (Bhairon Marg)	Designated entry/exit for contractor trucks and vehicles carrying heavy materials. Contractor labourers must enter here and collect entry tokens.

NOTE:

(a) In the unlikely event of VIP movement during the event period, the designated gates may be subject to change, and any such updates will be communicated to exhibitors closer to the event dates.

(b) All vehicles and personnel must carry valid entry passes/contractor bands at all times.

No vehicle/contractor movement will be permitted inside the halls on exhibition days (24–25 June 2026).

Section 6: Exhibitor Guidelines

6.1 Badge/Parking Entitlement

- Exhibitor badges will be issued at the Exhibitor Registration Area on 22 June 2026 (12:00 – 18:00 hrs) and 23 June 2026 (10:00 – 18:00 hrs). Exhibitors must present their business cards to collect badges. Badges will not be dispatched in advance by post or courier.
- Complimentary basement parking is subject to availability and will be allocated based on stall size. Additional vehicles may use the paid parking facility available at Basement 1.

6.2 Booth Construction & Move-In

- All construction work for bare space exhibitors must be completed by 23:59 hrs on 23 June 2026.
- Exhibitors who have ordered shell scheme booths may move in their exhibits and set up on 23 June 2026 from 10:00 hrs.
- An authorised representative of the exhibitor must be present on-site at all times to receive and position goods. The organiser cannot accept deliveries on behalf of exhibitors.
- Booth construction contractors must complete all work by the stipulated deadline as described in Section 4.
- To regulate the entry and exit of vehicles carrying exhibits and contractor materials, an IN-PASS and OUT-PASS system will be strictly implemented. Vehicles will be permitted entry into the venue only with a valid IN-PASS, and exit will be allowed only upon submission of a duly authorised OUT-PASS (Exit Permit) after completion of all clearance formalities with the organiser.
- All vehicles exiting Pragati Maidan are subject to mandatory security checks at the gates conducted by ITPO Security and/or Delhi Police, and movement of any materials or exhibits out of the venue—whether by vehicle or otherwise—will be permitted only against a valid OUT-PASS (Exit Permit); the organizer will provide exit forms on the final day of the exhibition, and exhibitors are required to complete three copies of the form, with one retained by hall security, one by CISF at the exit gate, and one by the organizer, and all copies must be duly signed and stamped by the organizer, as no exhibit materials will be permitted to leave the venue without an approved exit form.

6.3 Dismantling & Removal of Exhibits

- Dismantling of booths is strictly prohibited before 18:00 hrs on 25 June 2026.
- All exhibits must be removed between 18:00 hrs and 23:55 hrs on 25 June 2026.
- Booth spaces must be completely cleared of all exhibits and debris by 23:55 hrs.
- Removal, delivery, or replenishment of stock is permitted only before the exhibition opens each morning or after it closes each evening.
- During exhibition days, removal of any valuable items or displays from the hall requires prior written permission from the organiser.
- The exhibitor is solely responsible for the safety and security of all valuable items during the set-up period and throughout the event. The organiser shall not be held liable for any loss, damage, or theft.

6.4 Advertising Materials & Sound Levels

- Exhibitors are prohibited from placing advertising materials or signage in aisles, concourse areas, or any other part of the venue outside their allocated stand space.

- Presentations and slow-moving visual advertisements are permitted within the stand, provided they do not obstruct aisles, disrupt neighbouring exhibitors, or interfere with the public address system.
- The maximum permissible sound level is 70 dB(A), measured at the edge of the stand.
- The organiser reserves the right to intervene and adjust sound systems if the prescribed sound limit is exceeded.

6.5 Empty Packing Material

- Exhibitors are requested to deliver unnecessary packing materials and transport crates to the designated freight forwarder for storage at their own cost.
- During booth setup and teardown, contractors must keep pathways clear by promptly removing packing materials and equipment no longer in use.

6.6 Common Storage Facility at Venue

- A common storage facility will be provided by the organiser for exhibitors to store goods during the **exhibition days only**.
- Exhibitors wishing to use this facility must contact the Exhibitor Registration Counter.
- The organiser shall not be held liable for any loss, damage, or theft of stored items.
- All goods stored must comply with the prohibited items listed in Section 6.8.

6.7 Damages

The exhibitor is fully responsible for compensating any loss or damage to structures and properties owned by Nexgen Exhibitions or Bharat Mandapam, arising from the exhibitor's actions, negligence, or wilful acts, as well as those of their contractors, employees, agents, or third-party visitors.

6.8 Prohibitions

- Drone flying is strictly prohibited inside and around the venue. For any exceptional requirements, exhibitors must obtain prior approval from the organiser at least 10 working days before the event start date. The organiser reserves the right to approve or reject such requests.
- The use of grinder machines is strictly prohibited inside the exhibition hall.
- The use of firecrackers is strictly prohibited.
- Explosive or hazardous substances, including ammunition, may not be displayed. Only inert or dummy items are permitted, subject to prior approval from the organiser.
- The use of solvent-based paints, spray equipment, and flammable liquids for cleaning purposes is prohibited.
- The use of power tools for cutting, welding, or grinding is not permitted inside the exhibition hall.
- The use of gas stoves or any equipment involving open flames for demonstrations is strictly prohibited.

Section 7: Stand Construction Rules & Guidelines

7.1 Booth Design Submission

All exhibitors with bare space or modified shell scheme must submit their architectural stand layout, pavilion design, installation plans (including a detailed Electrical Plan) along with Booth Design Approval form (form 2) to the organiser by **8th June 2026**.

DEADLINE: Booth design (AutoCAD/PDF + 3D render) must be submitted to the organiser by **8th June 2026**.

7.2 Shell Scheme Booth — Standard Package

The Standard Shell Scheme Booth (3m x 3m = 9 sq.m.) includes the following complimentary items:

ITEM	SPECIFICATION
Fascia Board	Fascia with exhibitor's name in English
Wall Panelling	2.5M normal-quality partition wall along with carpet
Information Table	1 table
Chairs	2 chairs
Spotlights	3 spotlights
Power Socket	1 quantity
Dustbin	1 waste basket

Important Rules for Shell Scheme Exhibitors

- Nailing, use of stickers, or painting on aluminium frames is strictly prohibited.
- Nailing or painting on wall panels is not allowed.
- Exhibitors must remove any double-sided tape or stickers placed on panels before the end of the exhibition.
- External electrical contractors are not permitted inside the exhibition hall to provide additional lighting or plug points.

7.3 Bare Space / Raw Space Booth Rules

Key Rules and Guidelines (Strictly to be Followed)

- The maximum permissible height for a fabricated booth, including any platform, is **3.0 metres**. Any request to exceed this height must receive prior written approval from the organiser at least **one month before the commencement of the set-up period**.
- Stand construction must be self-supporting and must not be attached to or supported by the hall's walls, columns, or roof structures.
- Lightweight hangings and buntings may be suspended within halls with high ceilings using existing hanging points only. No items may be suspended from electrical conduits, cables, fixtures, or air-conditioning/ventilation grills. Any additional hanging arrangements require prior approval from the Engineering Division of ITPO.
- Requirements for 3-phase or 1-phase power supply for display or operation of machinery must be submitted to the organiser at least one month prior to the event start date.
- Sound levels within the exhibition hall must be regulated in consideration of other exhibitors and visitors.

Design Submission Requirements

Booth design proposals for raw/bare space must include the following:

- Plan view with all dimensions, walling, and major exhibit positions clearly indicated.
- Elevation views showing dimensions, graphics, and fascia details.
- 3D render or artist's impression of the final booth.
- Structural calculations/drawings demonstrating structural stability and load-bearing capacity.
- Electrical single-line diagram indicating connected load per point.
- Details of materials used, including fire-retardant treatment where applicable.

Construction Standards

- Maximum construction height: 3.0 metres (including platform).
- Booths with two or more open sides are intended to remain open to ensure visibility and maintain uniformity across the exhibition; exhibitors are not permitted to install partitions or enclose any open sides, and if an exhibitor wishes to close any open side, prior approval from the organizer is mandatory, failing which any unauthorized modifications may be removed by the organizer without prior notice.
- All construction materials must be non-combustible, inherently non-flammable, or treated with fire-retardant solutions.
- Floor markings for temporary infrastructure must be done using erasable chalk or white masking tape that leaves no residue.
- Nailing, drilling, or driving screws into the venue's walls or flooring is strictly prohibited.
- In cases where a stall exceeds the height of an adjacent stall, the exhibitor must ensure that the exposed rear portion of the additional height is properly finished and suitably masked./

7.4 Mezzanine Construction

- Exhibitors intending to construct a mezzanine floor must inform the organiser at least one month prior to the commencement of the set-up period.
- The mezzanine design and structural drawings must be approved by the Engineering Department of ITPO prior to construction.
- An additional fee, as applicable, will be charged by ITPO for mezzanine construction. This must be paid at least 5 working days prior to the set-up period. In the event of non-compliance with approval or payment requirements, the organiser reserves the right to halt construction.
- The mezzanine floor may be used for hospitality purposes only. Display items, exhibits, or electronic signage are not permitted on the mezzanine level.
- The mezzanine structure must be set back a minimum of 3.0 metres from the boundary of all open sides of the stand.

Section 8: Health & Safety Guidelines

8.1 General Safety Responsibilities

The exhibitor holds full responsibility for ensuring operational safety and compliance with health, safety, and accident prevention regulations throughout the event — during setup, exhibition days, and dismantling.

- Both the exhibitor and their contractors must take all necessary measures to ensure their activities do not pose a danger to other exhibitors, visitors, or venue personnel.
- Throughout setup and dismantling, all personnel must wear appropriate Personal Protective Equipment including safety shoes, gloves, and helmets. Bare feet, slippers, and open-toed footwear are strictly prohibited at the venue.
- Fasteners, anchors, nails, and screws must not be driven into the walls or flooring of the venue.
- Contractors are responsible for the environmentally responsible disposal of waste during setup, show days, and dismantling.

8.2 Working at Height

- Any personnel working at heights of 1.8 metres or above must wear a properly rated full-body harness, securely anchored to an appropriate fixed point.
- For work above 2 metres, ladders are not permitted. A suitable metal scaffold or working platform fitted with guard rails, mid rails, toe boards, outriggers, and wheel locks is required.
- Scaffolding platforms must not be moved while in use or occupied.
- Throwing of tools or objects at height is prohibited. Use hand-to-hand passing or bag conveyance.
- Unqualified operators are forbidden from doing overhead work.

8.3 Electrical Installations

- All temporary electrical installations must be carried out by trained and licensed electricians from approved contractors.
- The exhibitor bears full responsibility for any damage resulting from faulty electrical installations.
- Only ISI-marked new materials must be used for electrical installations. Wires must be PVC copper insulated with a voltage rating of 1,100 V.
- Bare electric leads, crocodile clips, and wooden junction boxes are strictly prohibited.
- All connections must terminate in a junction box or electrical panel fitted with individual rated trip switches, ELCB, and fuses.
- Switches and fuse boxes must be positioned outside the stall in a visible and accessible location.
- LED lights must be used. Halogen lights are banned under venue regulations.
- All lighting must be switched off before vacating the stand each evening.
- Electrical supply will be provided 60 minutes before the scheduled event start time and switched off 30 minutes after closing time.

8.4 Fire Safety

- All fire hydrants, sprinklers, fire alarms, and emergency exit signs must remain uncovered, unobstructed, and clearly visible at all times.
- Fire access routes and mobility zones must remain clear for firefighting services at all times.

Section 9: Empanelled Third Party Service Provider

The following are recommended and empanelled third party service provider who have experience working at Bharat Mandapam and similar venues. Exhibitors may engage their own contractors provided those contractors comply with all rules and register with the organiser (Form 1). The organiser does not endorse any specific vendor and exhibitors engage them at their own discretion.
