GREAT VISITOR ATTENDANCE

(Senior Functionaries who are responsible for Procurement, Provisioning who attended the events are as follows)

The event was graced by the presence of dignitaries like General V K Singh, Former Chief of Indian Army (Retd.) and presently a Minister in the Central Government, Shri R K Sinha, Member of Parliament and Founder of Asia's one of the largest Security and Intelligence Company, Dr Vijay Kumar Saraswat, Formerly served as the Director General of the Defence Research and Development Organisation (DRDO) and the Chief Scientific Advisor to the Indian Minister of Defence and presently member of NITI Aayog i.e. Planning Commission of Government of India, Shri Ranjit Narayan, IPS (Retd.), Executive Director, Delhi International Airport Ltd etc.

In inaugural address, Mr. R K Sinha said, "It is easier to identify enemies that we you share borders with but it is very difficult to identify who are a threat to the Internal Security. So modernisation of policing is not only essential but if neglected would create a grave danger. I have always advocated to increase of budget for internal security of the country. And with Shri Amit Shah taking the control we might get that increase in budget. He comes from the area near the border hence he understands the importance of internal security. While other armed forces are reactive, policing is required to be proactive. What is important for this is integration of detection technologies and communication with response equipment controlled by trained personnel." According to Dr Vijay Kumar Saraswat, Member, Niti Aayog "It is a good initiative for Police Forces of India".
