# EXHIBITORS

Over 100+ companies from 18+ countries showcased their disruption mettle in the two day event winning the confidence of over 4000 police, armed, defense and rescue personnel's

The exhibitors showcased very innovative equipment and technologies where audience was quite impressed from them due to level of advancement they carried. Latest technologies from Singapore, Australia, Austria, Israel, USA, Ireland, UK, UAE, Sweden, Italy, Germany and other leading police & defence products manufacturing nations showcased at International Police Expo 2022 & Homeland Security Expo 2022. There were more than 100+ companies who displayed their innovative products and technology for the Police and other Armed Forces of India.

Expo brought the innovative technologies, firearms, Anti drone gun, Forensic, armored vehicle, ATVs, drones and security equipment for Police, CAPFs and CPOs of India.

During Expo, Corsight displayed AI – Based systems to identify masked stone pelters. Corsight's technology enables authorities/agencies to quickly run investigations in order to resolve dangerous situations and identify those involved. This can be done in large crowds, poor lighting, obscure camera angles and even with individuals wearing sunglasses or masks.

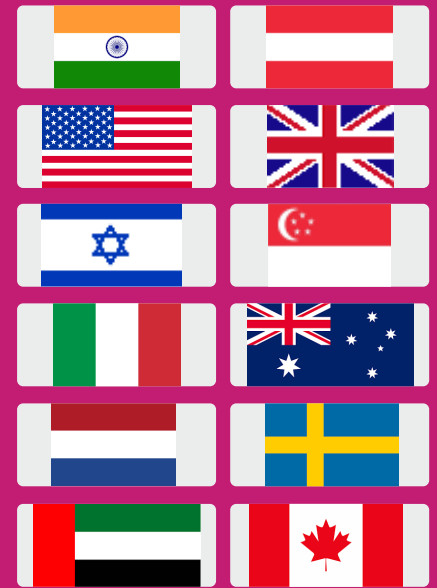

On-road safety, a Noida-based company SPARSH displayed a breath analyzer that can detect alcohol presence from a distance of two feet. It will help to curb drunk driving cases where drivers refuse to undergo a breathalyzer test claiming of getting Covid by blowing into the meter.

Troop Comforts Limited, A Government of India Enterprise, Ministry of Defence, displayed a comprehensive range of niche Equipment such as Bullet Resistant Jacket and Bullet Resistant Helmet as per BIS Level I for Protection against 9 x 19 mm Ammunitions, Ultra Lightweight Camping Tent for High Altitude Areas, Himveer ECWCS Prototype for Temp upto -50 Degree Celsius, Bullet Resistant Jackets as per BIS Level V, Snow Boots, Rucksacks and Backpacks of varying capacity, Advanced Combat Uniform with new Army Digital Camouflage Pattern with Anti-microbial finish and NIR Camouflage Compliant, Coat Combat (Lighter Pattern), etc. TCL also displayed a specially designed bullet proof Nehru Jacket for VVIPs and politicians. This Bullet Proof Nehru Jacket is capable of protecting the wearer from any attack from close range.

HILD Defence and Aerospace Pvt Ltd. displayed indigenous quick response hand-held anti-drone systems for use by security and police forces for countering rogue drones and unauthorised photography.

Few other technologies which were also displayed like CBRNE Detection, Telecom Solutions, Ballistic Combat Goggles, Cloud Based Application & Network Intelligence, Thermal Imaging, Night Vision and Infrared Camera, Roto Moulded Military Grade Cases, Handheld Explosive and Drugs Detection, Cyber Security, Data Recovery, Perimeter Intrusion Detection Systems, Mine Detectors, Small Arms, Safety Shoes, Fire & Rescue Products, Automated Surveillance Drones, Arms & Ammunition, Non-Lethal Tear Smoke Munitions & Traffic Solutions etc...
